sweet lady of 7 months of age, who is not comfortable in the ring but after a lot of dutch cookie i could touch her, her head is feminine with round light eyes, a muzzle that looks like a pointer, well set ears, scissor bite, good neck, good angulations in front, body proportions comparing her age, a bit narrow and elegant, topline can be stronger, pelvis a bit steep, moves a bit loose, just like we expect for a 7 months old, behavior is sweet but please work with her confidence, let her have lot of contact with people and objects.
